105 Year Old Lady Receives Jesus!: November 24,
2025

105-year-old elderly mother who came to Christ

Greetings in the mighty name of Jesus Christ.

I am going to share an amazing miracle that happened in last Saturday's fellowship. It was about a **105-year-old elderly mother who came to Christ. Her name is Guyanla Bohara.**

She had spent her entire life worshiping idols, but at the end of her days, God chose her. We believe this miracle happened not by our power, but by God alone.

Saturday's fellowship was deeply blessed and truly memorable. We witnessed with our own eyes the wonderful work of God the Father as He drew this 105-year-old elderly mother into His Kingdom.

The Health Mission Head, Mr. Deepak Singh, had recently met this 105-year-old mother who was living near Ranjha Airport in Nepalgunj. He had invited her to come to church, and accordingly, she was brought to our GNN Church at Nepalgunj, Puraini-22.

From the very beginning, the elderly mother's heart was completely open to hearing the words of faith. The fellowship became more spiritual, uplifting, and filled with blessings.

As we do at the end of every fellowship, the same question was asked: "If you want to repent from your sins and believe in Jesus, you may come forward—we will pray for you."

Likewise, respected Pastor Prabajan Shahi made the same invitation. At that very moment, the 105-year-old mother quickly raised her hand and firmly said, "I want to accept Jesus."

Prayer was immediately offered for her, and the elderly mother openly accepted the Lord Jesus Christ as her personal Redeemer and Savior.

Salvation is for the elderly, children, youth—everyone. And today, this truth was once again affirmed.

Our God is wonderful.

The elderly mother had been saying, “I have been searching for God.”

To this, our pastor replied, “It is not that you were searching for God; it is God who has been searching for you. That is why you are here today.”

The joy and excitement she felt after receiving the Lord Jesus cannot be expressed in words.

Thank you all.
