## 2025 Trip To Nepal – ADDRESS CHANGE: October 27, 2025

Dear GNN faithful,

In many ways it has been a hard year, Giving is way down but we still move on where God's Spirit shows us.

Please remember me in your prayers. On November 4 I leave once again to go to my dear friends in Nepal! I will return on November 16. In many ways this is a very special trip. For one, Philip and I will meet several of Nepal's best administrators in Kathmandu. Their missions include CRU, Faith Comes By Hearing, Child Evangelism Fellowship and The Gideons. ALL of us then fly to Nepalgunj to visit our GNN Training Center and meet with our 13th class that started on October. The occasion is rare that missionary students get to meet such wonderful men and learn from them how they can some day partner together to reach the unreached.

After this time the administrators, 2 doctors, one of our professors, and the GNN Co-Founders will fly to Simikot, Nepal, high up in the Himalayan Mountains! Several of our missionaries from the area, along with church leaders (about 100) will meet together and tour the area, the birthplace of Good News Nepal. Most of the administrators have never been to the high mountains of West Nepal. They will see the poverty, lack of jobs, but also meet the wonderful people of W. Nepal. GNN will host 2 conferences in Simikot, one for our guests to explain their ministry to our people, and the other a chance for our attendees to ask questions of the administrators and seek to find out how GNN can help them and vice versa. The assignment to "Reach the Unreached" is best done as God sees fit to work with other like Christian Ministries.

Finally we leave Simikot, going back to Nepalgunj. We can use some prayer too, for good weather to fly out from Simikot. Usually the wind is more calm in the A.M. so it will be an early flight.

Our guests will fly out of Nepalgunj back to their homes in Kathmandu. I will stay for 2-3 days in the Training Center to help with the 13th class, and also to look at several locations by the Government Hospital to look at expanding our Medical Ministry. The Medical Ministry has been so successful. People who are sick coming down from the mountains have to bring family with them since the hospitals have no eating facilities. Many are destined to live on the streets or have no money for food or hospital care. GNN employees and their families are covered through the GNN Madhu Fund, paid for by donations from America. A possible expansion would be working with several Nepalese doctors to find a rental property near the hospital. It would be the "Ronald McDonald House of

Nepal" (no connection to the McDonalds Company and with a separate name). I use this example only since everyone in USA knows what it is and how it benefits people. All persons staying at the possible site would have the Gospel of Jesus Christ explained to them by one of our missionaries! Please pray for the will of God and not our own proposals.

One other change in our USA office. We moved from City on a Hill and now have a new postal address. Good News Nepal 7475 Sleepy Hollow Dr, Hudsonville MI 49426. I can say that so far this location is working great and saves rent and my personal gas money to drive to Zeeland! Please change the address to send donations to, to this address with personal donations and Foundation checks.

See you after the trip to Nepal!!

Love in Jesus,

Dave Kapteyn  
President
